EDUCATION

SPPU University

Bachelor of Technology in Computer Science

JSPM Rajarshi Shahu College of Engineering (RSCOE) — Pune, India

CGPA: 8.85

EXPERIENCE

Technical Team Member – CSI (Computer Society of India)

Aug 2025 – Present

JSPM Rajarshi Shahu College of Engineering

College Station

- Support technical activities and collaborate with team members on technology-related initiatives
- Assist students in solving academic and technical problems
- Participate in organizing technical events and workshops

Data Science Intern – Skillbit Technologies

26 Dec - 5 Feb 2026

- * Completed a project-based internship focused on real-world data science applications
- * Built and analyzed data-driven solutions using Python, Machine Learning and data visualization
- * Strengthened practical skills in data preprocessing, model training and evaluation

PROJECTS

House Price Prediction — | *Python, Scikit-Learn, Pandas*

Built a supervised machine learning model to predict house prices using regression algorithms
Performed data cleaning, EDA, feature engineering and model evaluation

Heart Disease Prediction | *Python, Machine Learning*

- * Developed a classification model to predict heart disease risk using healthcare datasets
- * Implemented data preprocessing, feature scaling and model comparison

Rural Healthcare Support System (Ideathon Project) |

- Presented a technology-based healthcare support solution for rural communities
- Achieved Runner-Up position in Ideathon competition

TECHNICAL SKILLS

Languages: Python, Basic SQL, C++

Data Science::Data Cleaning, Data Preprocessing, Exploratory Data Analysis (EDA), Feature Engineering

Libraries Tools: Pandas, NumPy, Matplotlib, Seaborn, Scikit-Learn

Machine Learning::Supervised Learning, Model Training, Model Evaluation

Visualization::Power BI

Other: :GitHub, Jupyter Notebook, VS Code

CERTIFICATIONS

- Oracle Certified AI Foundations Associate – OCI 2025
- Power BI for Beginners – Microsoft — Simplilearn (SkillUp)
- Data Science Internship Completion – Skillbit Technologies

ACHIEVEMENTS

- Runner-Up – Ideathon Competition for “Rural Healthcare Support System”
- Ranked in Top 10 students in class based on academic performance
